EMPOWERING ADULTS THROUGH CULTURAL AND NATURAL HERITAGE

INTRODUCING CIVIC HERITAGE PROJECT

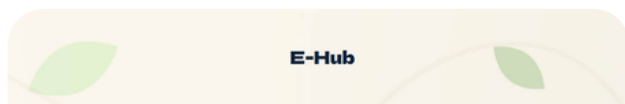

Civic Heritage aims to offer a solution to adults with low competitiveness, facilitating their social, cultural and professional integration and increasing their participation in lifelong learning and democratic life

FINAL MEETING & MULTIPLIER EVENT IN NARVA, ESTONIA

On 16–17 April 2026, the final Transnational Project Meeting and Multiplier Event of the CivicHeritage Project were held in Narva, Estonia. During the event, project results and heritage-based learning approaches were presented to adult education practitioners and local stakeholders. Participants shared feedback and exchanged experiences on the use of cultural heritage in adult education. Partners also evaluated the overall achievements and sustainability of the project results. The meeting marked the successful completion of the CivicHeritage Project.

For the WP2:

CIVIC HERITAGE ACADEMY

Throughout the project, the CivicHeritage partnership developed innovative and practical resources to support adult educators and learners across Europe. The project outputs include the Competence Framework, Training Programme, Handbook and the CivicHeritage E-Hub. These tools promote heritage-based learning approaches, active citizenship and lifelong learning through accessible and user-friendly educational materials.

These tools are designed to support the integration of heritage-based learning, active citizenship, and lifelong learning into a variety of educational settings. All project results are freely available through the CivicHeritage website and E-Hub platform.

👉 We invite you to continue exploring and making use of the CivicHeritage resources.

IMPACT AND FUTURE

Within the scope of the project, 7 pilot and multiplier events were successfully organised in Türkiye, Estonia, Belgium, Lithuania, Greece, Italy and Spain. These activities contributed to the dissemination of heritage-based adult learning approaches and encouraged the exchange of good practices among educators and stakeholders. The CivicHeritage project outputs and digital resources will remain freely accessible through the E-Hub platform and project website for the next 5 years, ensuring the sustainability and long-term impact of the project. We would like to thank all partners, educators and participants for their valuable contributions throughout the project journey.

VALORIZZARE GLI ADULTI ATTRAVERSO IL PATRIMONIO CULTURALE E NATURALE

INTRODUZIONE AL PROGETTO CIVIC HERITAGE

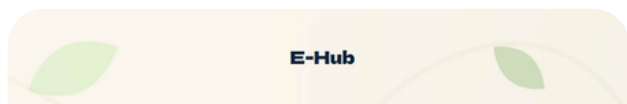

Civic Heritage si propone di offrire una soluzione agli adulti con bassa competitività, facilitando la loro integrazione sociale, culturale e professionale e aumentando la loro partecipazione all'apprendimento permanente e alla vita democratica.

EVENTO FINALE E MOLTIPLICATORE A NARVA, ESTONIA

Il 16 e 17 aprile 2026 si è tenuto a Narva, in Estonia, l'incontro transnazionale finale e l'evento moltiplicatore del progetto CivicHeritage. Durante l'evento, i risultati del progetto e gli approcci di apprendimento basati sul patrimonio culturale sono stati presentati a operatori dell'educazione degli adulti e a stakeholder locali. I partecipanti hanno condiviso feedback e scambiato esperienze sull'utilizzo del patrimonio culturale nell'educazione degli adulti. I partner hanno inoltre valutato i risultati complessivi e la sostenibilità del progetto. L'incontro ha sancito il completamento con successo del progetto CivicHeritage.

Nel corso del progetto, la partnership CivicHeritage ha sviluppato risorse innovative e pratiche a supporto di educatori e studenti adulti in tutta Europa. I risultati del progetto includono il Quadro delle competenze, il Programma di formazione, il Manuale e l'E-Hub CivicHeritage. Questi strumenti promuovono approcci di apprendimento basati sul patrimonio culturale, la cittadinanza attiva e l'apprendimento permanente attraverso materiali didattici accessibili e di facile utilizzo.

Questi strumenti sono progettati per supportare l'integrazione dell'apprendimento basato sul patrimonio culturale, della cittadinanza attiva e dell'apprendimento permanente in diversi contesti educativi. Tutti i risultati del progetto sono disponibili gratuitamente sul sito web di CivicHeritage e sulla piattaforma E-Hub.

Vi invitiamo a continuare a esplorare e utilizzare le risorse di CivicHeritage.

IMPATTO E FUTURO

Nell'ambito del progetto, sono stati organizzati con successo 7 eventi pilota e di replicazione in Turchia, Estonia, Belgio, Lituania, Grecia, Italia e Spagna. Queste attività hanno contribuito alla diffusione di approcci di apprendimento per adulti basati sul patrimonio culturale e hanno incoraggiato lo scambio di buone pratiche tra educatori e stakeholder. I risultati del progetto CivicHeritage e le risorse digitali rimarranno liberamente accessibili attraverso la piattaforma E-Hub e il sito web del progetto per i prossimi 5 anni, garantendo la sostenibilità e l'impatto a lungo termine del progetto. Desideriamo ringraziare tutti i partner, gli educatori e i partecipanti per il loro prezioso contributo durante tutto il percorso del progetto.
